TEXTBOOK

This new edition of *Integrated Chinese* is an outstanding achievement. Complete with interesting cultural notes, useful authentic materials, and a wealth of interactive exercises, the authors have outdone themselves **AGAIN!**

—Dr. Zoe Wu (Pasadena City College)

Overall, we would rate *Integrated Chinese* as superior, innovative, and extremely versatile. We recommend it without hesitation as an invaluable core component of a Chinese language program at both the high school and college levels.

—Lisa M. Carlucci, MS, MA (Robbinsville High School / Washington Township Public Schools-Mercer (NJ))

—Franco Paoletti, PhD (East Windsor Regional School District (NJ))

LEVEL 1 • PART 1

Covers the first semester of study at the college level

Systematically introduces over 150 essential vocabulary words

Presents key grammatical structures through clear and jargon-free explanations

Integrates interactive activities for practicing interpersonal, presentational, and interpretive language skills

Helps learners build real-life communicative skills as they discuss everyday topics and learn useful sentence structures

Incorporates a wealth of realia and authentic materials

Includes two review lessons for cumulative practice

Positions pinyin texts close to Chinese character texts so students can focus on speaking and pronunciation

Cheng & Tsui's best-loved Chinese textbook series is new, revised, and better than ever! *Integrated Chinese* is already the leading introductory Chinese textbook at colleges and universities around the world. The third edition of this time-tested series has been fully updated to meet the needs of today's students with a full-color design, up-to-date vocabulary, enhanced cultural coverage, a diverse cast of characters, additional communicative and interactive exercises, and a realistic storyline linking all the dialogues and readings. *Integrated Chinese* is ideally suited for students with diverse learning styles who want a comprehensive grounding in the Chinese language.

The series provides coordinated practice in the four skills of listening, speaking, reading, and writing, as well as additional insight into Chinese culture and society. Throughout the series, *Integrated Chinese* builds on the three modes of communication — interpretive, interpersonal, and presentational — to build proficiency in using the Chinese language in real-life situations. *Integrated Chinese* develops language abilities while encouraging active use of the language within and beyond the classroom. Task-based questions and learning objectives are included in every lesson to help students take control of developing language proficiency and problem-solving skills.

The *Integrated Chinese* series is designed for two years of study at the college level. It includes textbooks, workbooks, character workbooks, audio recordings, multimedia resources, and teacher resources. Student materials are available in both simplified and traditional character versions. Visit www.cheng-tsui.com for more information, additional online resources, companion materials, and an interactive user forum.
